TO WHOM IT MAY CONCERN

Dear Sir/Madam,

RE: RECOMMENDATION – MARTIN OUMA CORNEL (CI/00055/011 ID. 29921136)

The above named student has completed his four years of study at the Department of Computer Science and wishes to be considered for placement in your organization. The BSc. Program in **Computer Science** is a four-year course which he pursued from January 2012 to August 2015. To enable Martin exercise his knowledge to the good of the economy, we recommend him for consideration in the relevant areas of application.

The sixty courses covered in the four years of study include: Electronics, Spreadsheets and Databases, Fundamentals of Computing, Automata Theory, Digital Electronics I & II, CCNA modules I-IV, Data Communication, Operating Systems, Information Systems Analysis and Design, Computer Systems and Architecture, Distributed Systems, Programming (Java, Unix, PHP, etc), Web-design/Internet Computing/e-commerce, Management Information Systems, Algorithms and Data Structures, Intelligent Agents, Discrete Structures, Mobile computing, etc.

He was a class representative (2012-2015) and school representative (2013-2014). Martin has proven integrity, good relations and responsibility. Being an always quick learning student assures his aptness in any area of duty allocation.

Any assistance offered him will be highly appreciated. Looking forward to hear from you soon.

Yours faithfully,

Mr. John Alwala

Chairman, Department of Computer Science.
